APPLICATION PROCESS

Application is only accepted via this application form, submitted electronically to Claire Curley, BSRF National Director at grants@bsrf.co.uk. The application must be accompanied by:

- Primary investigators 2-page CV
- Ethics approval/application where applicable.
- Terms and Conditions signed by an authorised officer

If applicable you will be required to apply for ethics approval prior to your grant application being considered. The closing date for applications is January 31st and August 1st each year. Applicants will be kept informed of the progress of their application but should be aware that a decision can take up to four months. Applications which do not comply with the stated word limits will be rejected and asked to resubmit for consideration in the next grant round. The BSRF Appeals Process, Research Strategy and Scoliosis Priority Setting Partnership can be found on the BSRF website.

The information you supply when completing your application form will be used in accordance with the General Data Protection Regulations and for the following purposes: to process your grant application; to keep the information for as long as necessary to administer/process a grant. BSRF will never sell your information to a third party organisation. The information you provide will be kept securely. If you have any questions or would like to talk to the Data Protection Officer please email claire.curley@bsrf.co.uk, call the office on 02089645343 or write to us at Unit 4, Ivebury Court, 325 Latimer Road, W10 6RA.

If you would like to receive information on the International Phillip Zorab Symposium, grant round deadlines and the vital work we do, please tick this box.

Yes, I would like to receive information about grants, International Phillip Zorab Symposium and the vital work BSRF do.
